

Laval Family Questionnaire

We are researching the Laval family, which came to the United States from France in the late 1800's. We would very much appreciate as much information as you can provide to us about your family. Returning this form would certainly help us in our research, and we would appreciate it very much.

Please return this form with as much of the information as you know to: Jeanne Pimentel, 1231 Allston Way, Berkeley, CA 94702-1833. For your convenience, a self-addressed, stamped envelope is enclosed.

Laval Family Questionnaire

There are two purposes for this form: First, to simply locate the various Laval family members around the country and second to fill in any remaining gaps in the history of the Laval family in the United States. If you have any more information than that requested above, we would dearly love to have it. Or, if you have any pictures, certificates, old documents, etc. from the past, we would very much like to get a copy of them. Not only would they help our research but they will also make the reports, family tree charts, and the Laval genealogy website more complete. (Please feel free to visit the Laval website, which is located at <http://lavalfamilyhistory.tripod.com>)

Thank you very much for your time,
